

OUR PROJECTS

RAKSHYAK

It is all about rescue and resettlement of runaway, missing, abducted and abandoned children majorly focusing at railway stations. Due efforts are made to trace the family address of the children. Then children are either reunited with their families or put on institutional care with appropriate involvement of government's Juvenile Justice System.

The Project has been designed with a very systematic step-wise approach taking in consideration the need and assumed condition of the rescued child which sums up the below

PROCESS FLOW

- » Rescue drive and outreaching at railway stations
- » Network building with various stake-holders
- » Counseling Center Activities
- » Counselling to rescued children
- » Family Address Tracing
- » Child Resettlement
 - Parent Counseling & Family Reunion
 - Referred to Institutional Care
- » Follow Up
 - Telephonic
 - Physical

PUNARJIVAN

After rescuing and resettling thousands of children. SOCH Team realised that there are hundreds of children running away from home repeatedly, addicted to substance abuse, school dropouts, involved in petty crimes, begging, etc.. In order to help such children, Project Punarjivan was conceptualised to implement in below mentioned three categories.

Category	Given Facility
Family Connected Children having issues with addiction, repeated runaway and other behavioural issues	3 weeks residential camp
Street Connected Children having issues with addiction, repeated runaway, begging and other behavioural issues	4 weeks residential camp
Children dropped out of schools for long time and not having issues with addiction or other behavioural problems.	12 weeks residential Educational Bridge Camp
